STEP 5

**Click on Yes from List On Toy Drop-Offs Page**

If your location is open to the public and you'd like to be listed on the Toys for Tots website as a Drop-off location, please select "yes"

NOTE: Each drop box can hold up to 50 toys, so please order accordingly. Unless you have a large facility with multiple collection points you should be fine with one or two boxes.

**Drop Box Delivery**  
NOTE: Some local campaigns do not have the resources to deliver and pickup boxes from all drop sites in their local community.  
In these situations the local campaign needs the assistance of local supporters in picking up their drop boxes and returning them with collected gifts.
