## WHAT WE DO

At United Way, we work to ensure that:

**FAMILIES**

can meet their basic needs.

**CHILDREN**

are ready for school.

**PEOPLE**

are equipped with skills to build a better life.

**WE HELP FAMILIES GET OUT OF CRISIS – AND STAY OUT**

If families can't meet their basic needs now, they can't prepare for the future. Through strategic investment and innovative partnerships, we work with limited resources to help as many families as possible.

**WE TACKLE THE ROOT CAUSES OF OUR COMMUNITY'S PROBLEMS**

We address long-standing challenges like a lack of child care access, low literacy rates and limited social services support. We work to strengthen institutions and make changes through policy and partnership.

**WE BRING PEOPLE TOGETHER TO CREATE SUSTAINABLE CHANGE**

For 50 years, we have worked collaboratively with nonprofit, for-profit and government agencies to accomplish what no entity can do alone.
